**Sub: Regarding conversion of villages with more than 90% coverage**

Sir/Madam,

In order to expedite the conversion of high coverage villages into ODF, an analysis has been done at state level on the progress of all villages with 90% and more coverage as on 22<sup>nd</sup> May 2018 and it has been found that very little conversion has been done in 7 districts. Out of remaining 3705 villages with 90% and more coverage, 1571 villages belongs to these 7 districts only. (Details are attached in Annexure I).

In addition to this, there are 13 villages with more than 2000 HH and 100% covered but still these villages are not declared ODF. (Details of all these villages are attached in Annexure II)

It is therefore requested to personally look into this matter and expedite the conversion.

Yours faithfully

(Balamurugan D.)
