D.O. No. 19014/23/2017-SCD-IV(SRMS)

January 9, 2018

Dear

The Department of Social Justice & Empowerment is mandated to identify and rehabilitate the manual scavengers who were servicing the erstwhile insanitary latrines which have since been demolished or still engaged as manual scavengers. The State Governments have made commendable progress in conversion of insanitary latrines to sanitary toilets under the Swachh Bharat Mission as also under the State Government Schemes. There is an urgent need to identify and rehabilitate manual scavengers who had been or are still engaged in servicing insanitary latrines.

2. As per the data of the Ministry of Drinking Water & Sanitation of 04/01/2018, there are still 17982 insanitary latrines, 3429 households with night soil removed by human, 10395 households with night soil disposed into open drain and 4158 households with night soil serviced by animals. This data is for the 2,60,045 Gram Panchayats in the country.

3. On the basis of the above and other supporting data, it is proposed to carry out a survey in the districts listed at the Annexure from 20th January, 2018 to identify the manual scavengers. The survey would enable the Government to provide rehabilitation benefits to the liberated manual scavengers and their family members. The survey would be conducted in camp mode by organizing three or more camps in each identified district.

4. National Safai Karamcharis Finance Development Corporation, an autonomous body under the Department of Social Justice & Empowerment will put in place necessary personnel for conducting the survey. The survey team in each district would also have local body officers (both rural and urban) to be nominated by the District Collector. This special survey is being undertaken with the support of the NITI Aayog. The survey has to be completed by 31/03/2018. The survey would be completely funded by the Department of Social Justice & Empowerment.

5. I would, therefore, request you to nominate a State Nodal Officer and District Nodal Officer in the identified districts who would help in the survey and provide the necessary support for its smooth conduct at the earliest.

With regards,

Yours sincerely,

(G. Latha Krishnam Rao)
