In the above subject, this is to inform that MoDWS in association with Tata Trusts have recently launched the Zila Swachh Bharat Prerak (ZSBPs), who would be allocated to the districts as a full time dedicated resource to help the district to manage and scale up the implementation of Swachh Bharat Mission-Gramin.

In this regard, two Zila Swachh Bharat Prerak (ZSBPs) are being deployed to support the districts in implementation of LSBA in Bihar. They are allocated in the following districts:

To

The Principal Secretary/Secretary
Incharge, Rural Sanitation all States / UTs

Sub.: Young Professionals to support Districts for implementation of Swachh Bharat Mission (G)

Sir/Madam

As you may be aware, Ministry of Drinking Water and Sanitation, in association with the Tata Trusts, recently launched the Zila Swachh Bharat Prerak (ZSBP) initiative.

The professionals called "Zila Swachh Bharat Preraks (ZSBPs)" would be hired on the payroll of the Tata Trusts and would be deputed in the district to support SBM-G. ZSBPs will bring in fresh ideas, energy and enthusiasm to the Mission, and help accelerate the path to an ODF India. Some of the key tasks, which the ZSBP is supposed to perform are attached at Annexure I.

Given the States' critical role in the implementation of SBM-G, we would value your inputs on the final placement of the Preraks in appropriate districts. The ZSBPs will undergo a central level orientation programme in New Delhi and thereafter would be asked to report to the State HQs wherein you may interact with them and impress upon them the importance of the task in our hand. In addition, I would request the following from you:

- 1) Allocation of ZSBPs based on the district ODF requirements, skillsets, and safety arrangements. They would be reporting to the District Collector / CEO Zila Parishad.
- 2) Formal intimation to the District Collectors about arrival of ZSBPs. A letter maybe issued from your office:
 - a. Highlighting the potential benefits of this initiative and role of the ZSBPs
 - b. Requesting Collectors to ensure necessary logistics support such as working space in the Collectorate, desktop computer, complimentary accommodation for the first few weeks, and vehicular support for monitoring visits, wherever necessary
- 3) State can create a project management unit by selecting 3 suitable ZSBPs (either from the previously deployed ZSBPs or from the incoming ones) to form a support team to aid in management and monitoring of the initiative. This team will work out of the State HQs and directly report to the State Mission Director or Principal Secretary. The logistics and accommodation for them may be facilitated by the State.
- 4) Considering that ZSBPs are a part of the national cadre, the States are free to reshuffle and transfer Preraks post formal consultation with and approval of MoDWS.
- 5) In case of mid-year transfers, kindly ensure smooth transition and landing support is provided by the Districts.
- 6) In case the State already has adequate manpower support and do not require ZSBPs, the same maybe communicated to MoDWS in writing.

Contd..2..

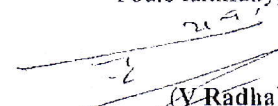

The details of ZSBPs who will be reporting to you by 21st July, are attached in Annexure 2.

You are also requested to intimate the following latest by 5th July:

- a) In case there are any issues with the dates of their reporting, the respective Mission Director of the State are requested to inform at the earliest along with best suited dates on which they want the Preraks to report to their office
- b) Name of the districts allotted to the Preraks by the respective Mission Directors of the states
- c) Arrange a two days immersion programme at the state level so that the preraks know the state specific issues

I would strongly urge you to utilize this opportunity of having young professionals work on exciting SBM (G) tasks and help the Districts achieve ODF status on priority. Looking forward to hearing from you at the earliest.

Yours faithfully,

(V Radha)
