Provide resource support (Logistics for fieldwork and stay arrangement) to conduct field work for verification and other implementation activities. The team will also be conducting state level verification in selected GPs and engage in IEC/BCC activities nearby, while also noting the CLTS methodology adopted, toilet technology followed, payment process to beneficiaries and most importantly, access and usage of toilets constructed.

All the teams are instructed to document their findings, good practices and learnings through these visits which can be used for knowledge management by the LSBA state cell.
